Ballot closes today at 12 noon

There are just hours left to cast your online vote in our consultative ballot on the next steps our campaign.

The consultative ballot closes today at **12 noon**. Because it is an online ballot you can still vote until then if you haven't already.

Thanks to everyone who has voted. We were encouraged by the levels of debate and engagement from members at all levels of the union. This work has helped to maximise turnout across the civil service and related sectors.

We will publish the results on our website as soon as they are confirmed by the independent scrutineers. This is likely to be on Friday 1 September.

The national executive committee (NEC) will meet in the first week of September to discuss the ballot results and the next steps in the campaign.
