DWP group Activist Roadshows

The DWP group executive committee has agreed to run a series of region and nations roadshows for activists in support of the national campaign and the DWP staffing campaign.

All activists will be invited by personal email to a roadshow event appropriate for their region or nation. Events will be on Zoom and led by the group president or a group vice president. The links to the events will also be posted on the PCS website on the [Events page](#).

The dates and times for the roadshow events will be as follows:

- 11 March – 12:30 and 6pm East and West Midlands
- 12 March – 12:30 only London, South East and Eastern
- 13 March – 12:30 and 6pm Yorkshire and Humberside, North East
- 14 March – 12:30 and 6pm Scotland and Wales
- 18 March – 12:30 and 6pm South West
- 19 March – 12:30 and 6pm North West

The latest phase of the [national campaign](#) agreed by the NEC on 14 February includes a survey of members on how we take the campaign forward. The roadshow meetings will discuss how we can ensure that we get the best response possible from members during the consultation period.

The roadshows will also be used to update activists on the progress of the DWP staffing campaign and discuss actions for activists in support of the campaign
