

## [Online and distance learning](#)

There's a huge range of **free** online and distance learning available to PCS members across the UK.

### **Learn with PCS**

#### **Level 2 courses**

PCS and other unions partner with leading online provider, The Skills Network, which offers free vocational level 2 qualifications (and some level 3 qualifications in Scotland) to learners across most English postcodes, and across all Scottish postcodes.

**English regions** - Find out about free courses available with [the Skills Network in England](#). This offer covers most English postcodes - the main exceptions in England are Merseyside and parts of the north west. Check the details of postcodes and eligibility criteria on the website.

**Scotland** - Find out about free courses with [the Skills Network for members in Scotland](#). Level 2 and some Level 3 courses.

**Wales and Northern Ireland** - Due to the devolution of the government adult education budget funding, there is currently no provision in Wales or Northern Ireland.

#### **Online courses**
