

1 February strike rallies

On the day of our strike of 100,000 civil service members on 1 February we are holding strike rallies and demonstrations in towns and cities across the UK.

PCS will also be working with other striking unions and local trades councils to organise events.

See our guide below (alphabetical by town) to find the details of your nearest event. The page will be updated regularly.

If you are organising a rally that isn't listed below, please email campaigns@pcs.org.uk to have it added to our list.
