

# VOTE YES FOR 5% WE ALL DESERVE A PAY RISE

## PCS PAY MEETING

PCS is demanding that all staff across the civil service are given a pay increase of 5%.

PCS members are being balloted now on whether you are prepared to take industrial action in the event that we cannot reach a negotiated settlement.

All PCS members are invited to attend a short meeting to discuss why we should all vote YES for a pay rise and how we can help win the ballot.

# VOTE YES FOR 5%

**PCS is demanding a 5% increase for all staff working in the civil service and related sectors.**

Our conference in Brighton voted overwhelmingly to support a motion to hold an industrial action on pay and we need all members to play their part to ensure we get a huge turnout in the ballot.

A large **yes** vote will help to increase the pressure on the government to force them to give us the decent, fully-funded pay rise we all deserve.

## **We need more members involved**

We want to increase participation across the union and to maximise involvement in and support for our pay campaign.

### **What you can do**

- Ask a non-member to **join PCS** and support our pay claim
- Take part in our next payday protests
- Register to become a union advocate. Contact your local branch rep.
